Chittenden, VT (October 13, 2007) - The Mountain Top Inn & Resort in Chittenden, Vermont has been selected to host the 2008 New England Women's XC Ski Day on Sunday, February 3, 2008. The sixth annual Women's Ski Day is designed to encourage cross-country skiing as lifelong recreation for women, self, and family. This event invites "never-evers", beginners, and intermediate skiers of all ages to attend with little or no equipment. Everyone is invited to bring girlfriends, mothers, daughters, aunts and neighbors. As the women arrive they will be welcomed by the staff, outfitted with proper equipment and their skis will be waxed. They can choose from clinics at all levels to learn various techniques, all conducted by other women who are passionate about enjoying winter on Nordic skis. Industry representatives will be there with equipment and clothing for attendees to try out and purchase. At the conclusion of the day there will be a non-competitive, pair relay, with awards and prizes.

Special guest room rates are available at the Resort for attendees who may want to make a complete weekend of it. Before or after the event they can enjoy ice skating, horse drawn sleigh rides, sledding and massage therapy.
